Benefits

1. Sustainable production: 100% recycled plastic, possible post consumer material, completely recyclable at the end of its life, reusable
2. Designed with minimum nesting height to optimize storage and transport
3. Multi way nestable pallet
4. Excellent and secure material handling through special top deck texture
5. Rim option for better crate fitting
6. Compatible with other existing solutions in the market
7. Easy to clean through dog bone option

Options

1. Safety rims
2. Grommets under deck
3. RFID transponders and other IoT options
4. Individual marking and labeling
5. Further feet version: Dog bone feet design
6. Also available with closed deck
